1	The offender has violated the following special condition: ‘You must refrain from the illegal possession and use of drugs, including prescription medication not prescribed in your name, and must submit to urinalysis or other forms of testing to ensure compliance. It is further ordered that you must submit to evaluation and treatment, on an outpatient or inpatient basis, as approved by the U.S. Probation Office. On March 15, 2019, Cauthen submitted a urinalysis which yielded a positive result for marijuana. Cauthen admitted to using marijuana and signed an admission of drug use form. The most recent urinalysis submitted on January 17, 2020 yielded negative results.

U.S. Probation Officer Action:

At this time, we are requesting no formal Court action be taken. To date, all previous and post urinalysis submitted by Cauthen yielded negative results. The most recent urinalysis submitted on January 17, 2020 yielded negative results. He is cooperative with the probation office, maintained stable residence,

employment, and satisfied the special conditions of location monitoring and motor vehicle compliance as ordered by the Court. We will continue to monitor Cauthen and his compliance with his conditions of probation. We recommend presentation of the attached Probation Form 12A to Cauthen as a written reprimand issued under the authority of the Court. If his non-compliance continues, the Court will be notified immediately.

Respectfully submitted,
